

ENTER SANDMAN

METALLICA
PAROLES

BPM 123

Couplet

Say your prayers little one
Don't forget, my son
To include everyone
Tuck you in, warm within
Keep you free from sin
'Till the sandman he comes

Pre refrain

Sleep with one eye open
Gripping your pillow tight

Refrain

Exit, light
Enter, night
Take my hand
We're off to never-never land

Couplet

Somethings wrong, shut the light
Heavy thoughts tonight
And they aren't of Snow White
Dreams of war, dreams of liars
Dreams of dragon's fire
And of things that will bite

Pré refrain

Sleep with one eye open
Gripping your pillow tight

Refrain

Exit, light
Enter, night
Take my hand
We're off to never-never land

Solo

Pre refrain

Hush little baby, don't say a word
And never mind that noise you heard
It's just the beasts under your bed
In your closet, in your head

Refrain

Exit, light
Enter, night
Take my hand

Refrain

Exit, light
Enter, night
Take my hand
We're off to never-never land
